

RightByYou

by Neami National

**Been worried about a friend online?
An act of care can help.**

Scan the QR code for
access to RightByYou.

RightByYou is an online platform designed by and for young people (12-25) who want to help a friend expressing suicidal concerns online.

RBV promotes leading evidenced-based suicide prevention resources to empower young people to identify warning signs, initiate important conversations, and refer friends to help.
